### “Talking” with Rain and Shadowfax

We recently contacted animal communicator Barbara Baker from Bellingham WA. Our goal at FTH is to find the best home we can for the horses, and part of that is finding the type of home most suitable for each individual horse’s personality. Barbara’s help is invaluable in doing that.

Barbara connected with Shadowfax and found that she has a very high opinion of herself and feels she deserves the best in life. Shadow would like to be an only horse so that her owner can focus on her. She wants to be admired and respected and to show off. She needs motivation in the form of “perks” or rewards but would be happy to work and go to shows.

Barbara says that Rain is very intelligent and athletic. Rain would like to put her athleticism to good use in some form of performance, but not necessarily be a full time show horse.
