## New Board Member

This year we welcomed new Board Member Marilyn Kusick-Jones to our organization.

## We're Changing

In these uncertain economic times, the idea of sending a horse to a new home is scary. Through no fault of their own, people's circumstances can change and they must make hard decisions.

In addition, over time the horses form close, and deep, relationships with each other. We feel their lives have already been hard enough and forcing them to leave their 'family' is just one more trauma.

In view of this, we have changed our mission to that of a sanctuary. All the horses here at For The Horse Equine Rescue will stay with us for the rest of their lives.

Wishing you a Happy Holiday Season
