

Quarterly Newsletter

We've Moved!

It was quite a process, but our move was final in July. The horses were great travelers and their new home was worth all the miles spent on the road. They now have 65 acres to roam, with a bunch of new friends.

Since we're no longer in Washington state, it's time to find new Board members. So the search is on.

We apologize for the lack of a summer newsletter- but we were just so busy time slipped away from us.

Rainmaker Has A New Home

Just before we headed out with our last group of horses, Rainmaker was adopted. She is now living in Arlington in a herd of young quarter horses. Her new owners are very happy with her and we wish them all the best.
